### ***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: the prior art of record, absent applicant's own disclosure, fails to teach the entire combination of elements set forth in the claimed invention. Specifically, the prior art of record fails to teach an assembly comprising a door panel including a first hole, a window regulator housing including a second hole, a window regulator motor including a third hole, a locating member assembled into the first hole, the second hole, and the third hole, the

small diameter cylindrical portion located in the second hole and aligns the locating member relative to the window regulator housing and the large diameter portion is located in the third hole and aligns the locating member relative to the window regulator motor, thereby aligning the window regulator housing relative to the window regulator motor. See claim 1, lines 1-5 and 13-17.

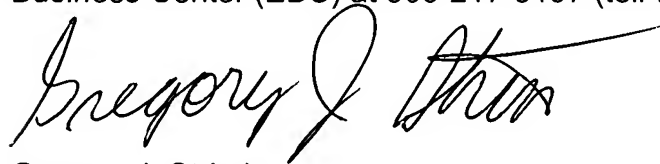

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory J. Strimbu whose telephone number is 703-305-3979. The examiner can normally be reached on Monday through Friday 8:00 to 4:30.
